Unless the designated defendant is currently subject to withholding under another wage execution, the employer is ordered to deduct from earnings which the designated defendant receives and to pay over to the Court Officer named below, the lesser of the following: (a) 10% of the gross weekly pay; or (b) 25% of disposable earnings for that week; or (c) the amount, if any, by which the designated defendant's disposable weekly earnings exceed \$217.50 per week, until the total amount due has been deducted or the complete termination of employment. Disposable earnings are defined as that portion of the earnings remaining after the deduction from gross earnings of any amounts required by law to be withheld. In the event the disposable earnings so defined are 217.50 or less, no amount shall be withheld under this execution. In no event shall more than 10% of gross salary be withheld and only one execution against the wages of the designated defendant shall be satisfied at a time.

The designated defendant may object to the wage execution or apply for a reduction in the amount withheld at any time. To object or apply for a reduction, a written statement of the objection or reasons for a reduction must be filed with the Clerk of the Court and a copy must be sent to the creditor's attorney or directly to the creditor if there is no attorney.
